Situation
I am your friend and I have a problem. Find out what my problem is and offer me some good advice.

First
You should look at the pictures below and ask:
- Who is this person?
- What is the problem?
- What are the possible solutions?
- What is the disadvantage to each solution?

Then
When you have all the information you need, you should offer some advice to help solve the problem. You can choose one of the solutions or create your own solution to the problem. Remember to use information you learn from asking questions to explain your final choice.

Finally
After you have shared your decision, you will be asked more questions about the topic.
