**Situation**
My cousin Patrick has just been offered a great new position at work. If he takes this new job, he will have to go to London for training for nine months. He needs to decide if he will accept the new position or not. Tell me what advice you think I should give him.

**First**
You should look at the pictures below and ask:
- What are his options?
- What is the advantage to each option?
- What is the disadvantage to each option?

**Then**
When you have all the information you need, explain which option would be best and why. Be ready to explain why you didn’t choose the other option. Remember to use information you learn from asking questions to explain your final choice.

**Finally**
After you have shared your decision, you will be asked more questions about the topic.
